Personnel Matters and Training Updates

THE COVER

The COVID-19 pandemic has greatly altered the way we live and how we conduct our day to day activities. To adapt to the protocols imposed to minimize the transmission of the COVID-19, the Butuan City Water District (BCWD) has also embraced change and altered the implementation of its institutional contests to be able to continue with its advocacy while minimizing the risk of transmission for its facilitators and the participants.

BCWD Launches Water Bill Payment

through

GCASH App and PAYMAYA App

by Ann Patrimonio

As the sole potable water service provider in Butuan City, the Butuan City Water District (BCWD) is now available in the **GCASH App** and **PAYMAYA App** for bills payment of its concessionaires. This move by BCWD is another one of its solution for avoiding congestion at the BCWD Administration Building and to keep up with the changes brought about by the COVID-19 Pandemic.

Effective April 20, 2021, those with current water bills may pay their bills at the GCASH App or PAYMAYA App. Please be reminded that only those with current bill or BLUE BILL can pay in the GCASH App, PAYMAYA App, ECPay Merchant Partners and BCWD Collecting Centers. RED BILLS should be paid in BCWD's main office only.

For more information, customers are advised to call the BCWD Call Center at contact Numbers 09189304234 / 09171888726 / (085) 3423145/46; 3416373/74. Thank you for your continuing support to BCWD. 

BCWD DECLARES WINNERS

for its **1ST DIGITAL CONTESTS**

by Ann Patrimonio

The COVID-19 pandemic has greatly altered the way we live and how we conduct our day to day activities. To adapt to the protocols imposed to minimize the transmission of the COVID-19, the Butuan City Water District (BCWD) has also embraced change and altered the implementation of its institutional contests to be able to continue with its advocacy while minimizing the risk of transmission for its facilitators and the participants.

BCWD organized its 1st digital in format Institutional Contests namely: **1st Digital Essay Writing Contest, 1st Digital Photo Contest, and 1st Digital Poster Making Contest** as part of the World Water Day celebration and the twin celebration of the **20th Water Consciousness Week and 47th BCWD Anniversary.**

Entries were sent through the official website of BCWD as well as through email on March 24 – 26, 2021. The Board of Judges for this year's 1st Digital Essay, Photo and Poster Making Contests were: Atty. Leah C. Javier, Dr. Nora Molde and Professor Victor Von Alerta.

This year's entries for the three digital contests were open to all individuals residing in Butuan City under the service area of the BCWD aged 18 years old and above. There were a total of 20 participants for the 1st Digital Essay Writing Contest, 13 for the 1st Digital Photo Contest and 10 for the 1st Digital Poster Making Contest.

The winning entries had finally been identified which best depicted the theme for the respective contests.

BCWD CELEBRATES ITS 47TH ANNIVERSARY

by Ann Patrimonio

The Butuan City Water District (BCWD) celebrated the 20th Water Consciousness Week and 47th Anniversary on April 12-17, 2021 with the theme: **“Valuing Water.”**

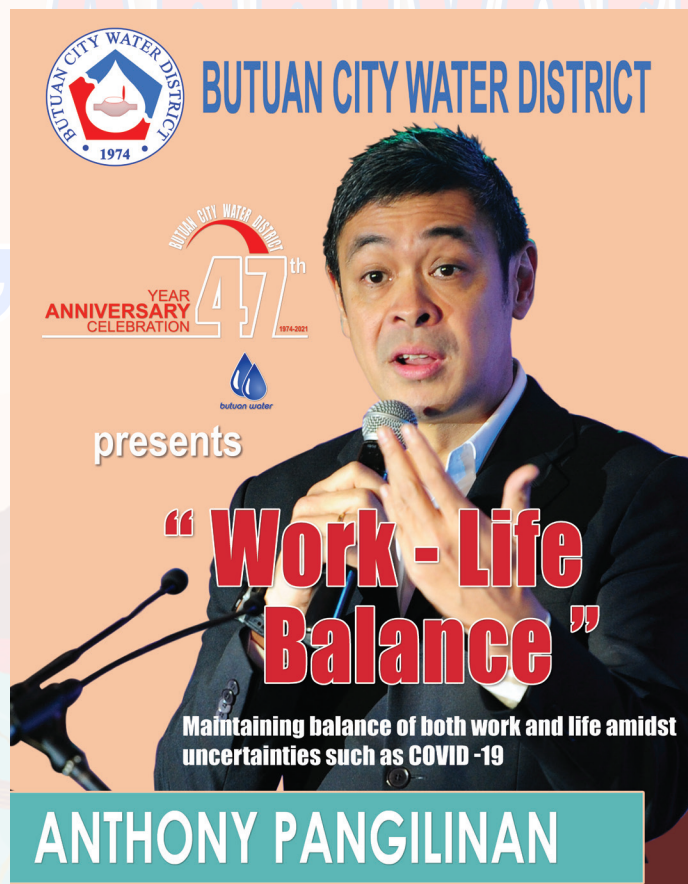

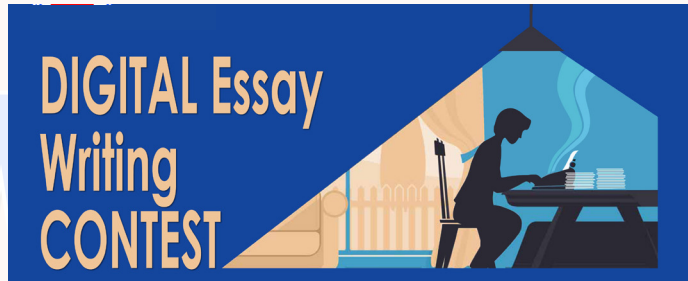

BUTUAN CITY WATER DISTRICT

in the celebration of

**20th Water Consciousness Week
and 47th BCWD Anniversary**

Theme: **“VALUING WATER”** April 12-17, 2021

Series of activities are scheduled by the BCWD Anniversary committees as part of the anniversary celebration. Some of the activities have already started especially those involving the public as participants.

The 47th Anniversary celebration kicked off with the conduct of its 1st digital in format Local Contests – the 1st Digital Essay Writing Contest with submission of entries on March 24, 2021; 1st Digital Photo Contest with submission of entries on March 25, 2021; and 1st Digital Poster Making Contest with submission of entries on March 26, 2021. Awarding of winners was conducted on April 16, 2021 at the BCWD Administration Building, Butuan City.

The said Local contests were open to all concessionaires of BCWD ages 18 years old and above but with limited slot offered.

A Memorandum of Agreement signing for one hectare Adopt-a-Forest Project also took place as part of the said celebration.

One of the highlights of the celebration was a Thanksgiving Mass on April 16, 2021 at 8:00 A.M. It was BCWD's way to show its gratitude for all the blessing and protection received especially this time of the COVID-19 pandemic.

To cap off the weeklong celebration, a Motivational Talk with Anthony Pangilinan will happened on April 17, 2021, 1:00 P.M. at Almont Inland Resort.

VALENCIA CITY WATER DISTRICT VISITS BCWD FOR BENCHMARKING

by Ann Patrimonio

The essence of benchmarking is the process of identifying the highest standards of excellence for products, services, or processes, and then making the improvements necessary to reach those standards – commonly called “*best practices*”.

Commercial Services

Selected employees of the Valencia City Water District's (VCWD) Commercial Division visited the Butuan City Water District (BCWD) on April 14-16, 2021 for a benchmarking.

The said employees conducted a benchmarking on BCWD's best practices in its operations to gauge whether these activities may be replicated in their water district.

The team from VCWD arrived in Butuan City on April 14, 2021 and departed Butuan City on April 16, 2021.

The topics discussed during the benchmarking of VCWD include following:

1. Water Meter Installation process flow, requirements, and charges
2. Compound valve installation/supplier
3. Types of installation (whether cluster or individual meters)
4. Disconnection process flow
5. Customer Service Feedbacking
6. No. of Billing Days
7. Water Meter Management (e.g. aging of water meters)
8. Charges for securing certifications (if there is)

Engineering

1. NRW Reduction
2. Water Interruption Techniques
3. Project Implementation Process flow from Planning to Implementation
4. GIS

Field Visitation

1. Meter Calibration Room
2. Actual field visitation on installed meter with compound valves
3. other BCWD facilities

BCWD always opens its doors to other water districts to share learnings and practices to be able to improve water services as these water districts in turn share their best practices to BCWD.

BCWD ENGINEERING DEPARTMENT IMPLEMENTED PROJECTS FOR 2ND QUARTER

by Ian Blair Dalman

The Butuan City Water District (BCWD) Engineering Department continues to implement improvement projects that will help expand or upgrade the water pipelines to improve water supply to certain areas of Butuan City.

For the 2nd quarter CY 2021, projects implemented were installation of new lines, specifically, 50mmØ HDPE Pipes as expansion to existing distribution lines. Other projects implemented were providing assistance to other BCWD departments such as the Production & Distribution Department in the implementation of its projects at Sitio Tagkiling, Brgy. Anticala.

COMPLETED PROJECTS IN THE 2ND QUARTER, CY 2021

PROJECT DESCRIPTION	DATE OF IMPLEMENTATION	LENGTH (L.M.) / QUANTITY	PROJECT COST
Sitio Tagkiling - Construction of Gate Entrance	Apr 12 - 23, 2021	1 unit	65,901.00
Pk 9A Brgy Libertad – laying of 50mm Ø Pipelines	Apr 19 - 30, 2021	360m	129,260.00
Pk 8A Brgy Ambago – laying of 50mm Ø Pipelines	Apr 29 – May 10, 2021	120m	77,730.00
Brgy Tagkiling - Construction of 4 units Septic Tanks	May 3 - 28, 2021	4 units	151,803.00
Pk 19A Brgy Mahay – laying of 50mm Ø Pipelines	May 17 - 28, 2021	500m	95,260.00
Somoloy - Tagkiling Brgy Anticala - Construction of MRF	May 31 – June 11, 2021	1 unit	63,855.00
Patong - Tagkiling Brgy Anticala - Construction of MRF	June 14 - 25, 2021	1 unit	63,855.00

DISTRICT NEWS

MEDIA PRACTITIONERS OF BUTUAN CITY VISIT BCWD BULK WATER SUPPLIER SITE *and* TAGUIBO WATERSHED

by Neiko Discipulo

A group of media practitioners of Butuan City visited some facilities of the Butuan City Water District (BCWD) on March 6, 2021.

As part of the program of the BCWD Community Relations and External Affairs Division, fostering linkages with other partner agencies, media and organizations is also considered important for BCWD as they in turn will also support BCWD in its programs and activities. As such, BCWD always welcomes requests for site visit as it serves as an opportunity to better understand the project and/or activities of BCWD.

It can be recalled that the Taguibo Water Supply Development and Water Treatment Facility Service Project is now complete with the official start of its commercial operation last April 30, 2018. The Taguibo Aquatech Solutions Corporation (TASC) has already been operating the treatment facility for several years now at Sitio Iyao, Brgy. Anticala.

The media has not yet visited

the facility since its commercial operations. Thus, the mediapersons were given the opportunity to visit the area and had been apprised of the current operations of BCWD and how it works with its bulk water supplier.

During the briefing and site visit, topics discussed include: the current water supply system of BCWD; Pressure Management; High Consumption Complaints; Water Meter Maintenance Fee; the construction of Water Supply System for Butuan City Rural Barangays Project; and Future Plans of BCWD.

Around eight (8) media personalities visited the facilities of BCWD's bulk water supplier – TASC. The visit made the media practitioners understand better the operations of water supply in Butuan City.
